BOARD OF
REGENTS

Michael Saunders & Company has spent over 30 years developing a global network of affiliations to create an elite group comprised of the world's most well-known and respected luxury real estate brokerages. Not only does this enterprise put our entire luxury catalog in front of millions of prospective buyers, but these partnerships also increase the awareness of Florida's Gulf Coast as an incomparable destination for those in search of the finest lifestyles.

Christie's Great Estates (ChristiesGreatEstates.com)

Christie's Great Estates is an international network of independent real estate brokers, linked with the historic Christie's Auction House — synonymous with quality and integrity for over 242 years. Membership is by invitation only, to companies with proven records of success in high-volume luxury home sales. Properties listed are at least \$2 million, and combined sales through the network are an astonishing \$125 billion.

Luxury Portfolio (LuxuryPortfolio.com)

Luxury Portfolio, a division of Leading Real Estate Companies of the World™, is comprised of 200 high-end companies that dominate the luxury market and include the most respected experts in real estate for the affluent. Luxury Portfolio has the most top-producing sales professionals and more \$1 million-plus listings than any other luxury network. LuxuryPortfolio.com receives visitors from over 150 countries every month and promotes client properties in 15 countries.

EREN – European Real Estate Network (EuropeanRealEstate.org)

EREN is an international non-profit organization of leading property firms with the purpose of maintaining and expanding upon the highest levels of service in luxury real estate. This pan-European group has recently added a few privileged companies into its network from outside the continent. Michael Saunders & Company and Halstead Properties of New York City are proud to be the *only* U.S. brokers invited to join this exclusive network.

Mayfair International Realty (MayfairInternationalRealty.com)

In the heart of London, Mayfair International Realty is an exclusive luxury brand comprised of 125 real estate brokerages throughout the world. Property listings beginning at \$250K are featured on the Mayfair website, as well as Telegraph.Co.UK, and luxury listings \$1 million and up are also featured on CountryLife.Co.UK.

Luxury Real Estate (LuxuryRealEstate.com)

The Luxury Real Estate network is the Who's Who in Luxury Real Estate with a global network of over 1,700 luxury real estate brokerages firms. Members have offices in 65 countries and properties in 107 countries worldwide. LuxuryRealEstate.com, named by Forbes Magazine for 8 consecutive years as the "Best of the Web," provides access to multi-million dollar luxury homes from around the world.

Luxury Real Estate Regents (Regents.com)

The Board of Regents (also referred to as "Regents") is an exclusive network of the world's most elite luxury real estate brokers. It is the governing body of Luxury Real Estate and the leadership has determined the direction of the Who's Who in Luxury Real Estate and LuxuryRealEstate.com network for over twenty years. Each member of the Board of Regents exclusively represents a defined territory and is selected based on their leadership and longstanding success in the real estate industry.
