

Enhance Your Real Estate Experience

Why limit yourself to property ads in print?

Start your home search on your terms.

Access a wealth of information on available properties, agents and more at **michaelsaunders.com**.

User friendly and available 24/7.

Print	Web
Limited space for property description	View unlimited information and nearby amenities on the properties that interest you
One photo at a fixed size	Take a virtual tour or click through large-scale photographs of multiple rooms and angles
Limited selection of properties	michaelsaunders.com has information on 25,000+ available properties throughout Sarasota, Manatee and Charlotte counties
Limited neighborhood representation	Preview all properties in the neighborhood of your choice – then narrow down to your perfect home by price range, location and style
Real estate section printed once a week	Search for homes on your schedule, from anywhere you can access the Internet. New listings are added daily and price changes are displayed as they occur
Limited open house information	Save time and plan right by starting your open house search at michaelsaunders.com – full mapping capabilities and descriptive property information let you plan your route the smart way
