

Still the Leader.

Leading Real Estate Companies of the World® continues to outpace the competition, even during a difficult market. Our outstanding firms are taking a larger slice of the shrinking pie. Once again, we boast the highest number of sales among the top 500 residential firms in the United States. In 35 countries around the globe, we have over 600 member firms with nearly 150,000 sales associates committed to excellence — impressive credentials, any way you slice it.
